

Case Study

“How DMSi Dramatically Improved Productivity to
Support Rapid Business Growth”

DISCLAIMER

This presentation slide deck has been designed for a live audience. To read the published DMSi case study on which it is based, click [this](#) link.

Why are we here?

Two reasons.

A possibility

Not a prescription.

About DMSi.

In 1998.

Humble beginnings.

A new approach.

Powered by Progress.

Benefits.

Then and now.

- Decreased time to market by 12 months in the first year.
- Reduced defect numbers by 50% over the past five years.
- Ability to fulfill enhancement requests from 2 weeks to 2 days.

And beyond.

Extensions. Further innovation.
